The Ever Increasing Burden on America's Public Schools

“A stunning portrayal of the unvarnished truth!”

Gail Connelly, National Association of Elementary school Principals

WSSDA has purchased two copies of this video and is making it available for viewing by local school boards and administrators. Contact [Terri Eixenberger](#).

Jamie presented this video at the recent WSSDA Annual Conference. A number of school directors have asked about it. You can preview this video at Jamie's [website](#).
